---

*A seminar for EXISTING, and FUTURE, FIRE /  
RESCUE / EMS Officers!*

*Presenter: \*Jimm Walsh, Division Chief, Winter Park FL,  
Fire & Rescue Department  
\*Founder & Webmaster of [VentEnterSearch.com](http://VentEnterSearch.com)*

*When: Saturday, April 28th 2012 Time: 8:30 A to 4:30 P  
Location: Pitt Community College Campus / Leslie Auditorium  
Greenville, NC  
Free for Fire / EMS affiliated Members!*

“This extremely motivational and informative class will focus on much more than basic leadership principles. While there are some basics of leadership that are applicable for any rank, this class will cover some specific principles for each rank from the bottom to the top...Special attention is given to the Company Officer and the “Ride-Up” or “Out of Grade” Company Officer. This seminar will give participants the motivation and knowledge to take their leadership skills to the next level.....”
